Dear Friends,

Welcome to Lochaber Music Festival 2024. I am delighted to present the syllabus to you. Please do share it with anyone you know who might be interested in participating or coming along to hear the performances. We welcome the participation of individuals and groups in Lochaber.

The most exciting festival news this year is that we celebrate our 50th Anniversary, but we are also delighted to take another step closer to a full, live music festival - only the country dancing has yet to return to our syllabus.

Within the syllabus, you will find all the information you require in order to enter the classes. Please study the rules carefully. It is very important that you note the closing date for entries, which is Wednesday 31st January 2024. The Programme must be prepared immediately after the closing date, and we would be grateful if you could submit your entries, using Play & Perform, as early as possible.

The Young Musician of the Year competition, sponsored by the Rotary Club of Lochaber, is separate from the festival itself, but is run at the same time – please consider entering where your talent allows!

We are always grateful to those of you who decide to become members or patrons of Lochaber Music Festival, many of you giving financial support year on year. If you are not already a member, why not join now? You will receive a programme and season ticket (valid for most competitions) through the post, and we will send you the syllabus automatically next year. That form can be found here in the syllabus, too.

I look forward to receiving all of your entries soon – and to welcoming you to the festival in March! Thank you ALL for your continued support.

Finally, please note that Lochaber Schools' Pipe Band have generously offered to sponsor all LMF 2024 chanter and bagpipe competitions, so there is no charge to enter any of these competitions – simply complete the entry form at Play & Perform. Thank you so much to Lochaber Schools' Pipe Band – we are delighted to receive your financial support this year.

Yours sincerely,
Catherine I. Cameron

9. COPYRIGHT REGULATIONS FOR “Own Choice” WORKS.

The Music Publishers Association has issued a revised “Code of Practice” on copyright works, and the following concession is made for copying “Own Choice” pieces from VOLUMES only for the adjudicator. Other items must not be copied without permission of the copyright holder in each case. When an “Own Choice” work is selected from a volume containing several different works and which is not published separately, one copy may be made for the adjudicator and the copy made is retained and destroyed by the administrator of the Competition immediately after the event. Original copies ONLY of "Own Choice" works must be made available for an accompanist. "A Code of Fair Practices" is obtainable free on application to Music Publishers Association – 103 Kingsway, London. WC28 6QX

10. OWN CHOICE

Where “Own Choice” is specified, this means one piece only. Title of selected piece, must appear in the programme, except where indicated. If title of "Own Choice" items are altered, or do not appear in the programme, an adjudication will be given but marks may not be awarded.

To avoid having entries rejected, please also ensure that a copy of "Own Choice" music or poetry, **INCLUDING TRANSLATIONS** if not in English, for adjudicator and accompanist (where required), is delivered to the Chairperson by the 7th February 2024.

11. SET PIECES

Competitors who have difficulty in obtaining any of the Set Pieces should communicate with the Chairperson. In the event of a Set Piece still being unobtainable on 1st February 2024 competitors may substitute an “Own Choice” (see Rules “Own Choice...” and “Copyright...” above). The Chairperson must be notified if any change is made.

12. SET PIECES/OWN CHOICE

A Set Piece in the Syllabus cannot be given as an “Own Choice” piece in another class at this Festival. Competitors cannot perform the same piece in more than one class at this Festival. The only exception to this rule is where competitors are invited to appear in a Premier competition.

13. ADJUDICATORS' DECISIONS ARE FINAL and adjudicators may not be approached with queries on their decisions. If this happens the committee reserves the right to refuse further entries from the performer, performer's representative or teacher who makes the query. If the query disrupts or holds up

RULES

the proceedings in any way, then the performer or teacher may not be allowed to make entries for a period of up to three years.

14. MARKS AND CERTIFICATES

Marks may be announced for the first THREE places only, at the discretion of the Adjudicator. Mark Sheets should be collected by sponsors after the close of each competition.

A new scale of marks has been adopted generally by Festivals throughout the Federation. A note of the new scale is given at the end of the Syllabus.

15. PREMIER AWARDS COMPETITION

In the event of a competitor qualifying, and being invited by the adjudicators to compete in any one of the Premier Vocal, Instrumental or Scots Traditional Award Competitions, the competitor must choose and perform **ONE** piece only. This rule also applies in qualifying competitions which have two set or own choice pieces. For the Traditional Award Competition, competitors may perform a programme of up to 5 minutes of music already played.

A COMPETITOR CANNOT COMPETE AGAINST HIM/HERSELF.

16. TROPHIES

90+	OUTSTANDING	An exceptional performance, both technically and artistically.

SAFEGUARDING POLICY

Lochaber Music Festival Association has prepared a Safeguarding Policy (updating the Child Protection Policy) to cover the Festival and all Festival Concerts, for approval by the British and International Federation of Festivals. We will take any allegations of abuse seriously and respond to these immediately.

1. PURPOSE AND FUNCTION OF THE ASSOCIATION

The object of the Association shall be to advance the education of the public in the Arts. In particular, it will provide a platform for amateur performance in the arts of Music, Speech and Dance combined with an educational element from professional musicians, dancers and speakers who will be adjudicating at the Festival.

2. THE FESTIVAL ENVIRONMENT

It is the policy of our Festival to inform and involve parents, guardians, carers and teachers in partnership in order to ensure, as far as is reasonably practicable, a safe environment at our events. A copy of our Safeguarding Policy will be available in the syllabus and on the website to those making arrangements for entering children and vulnerable people. A hard copy can also be made available to anyone requiring one. The entry forms contain a statement of agreement which requires to be acknowledged by means of a tick box on the Play and Perform website, including private teachers or group leaders who should pass on the information to entants' carers. Where an entry is a "School Regulated Event", a single copy of the policy will also be sent to the school who will then be responsible for their own arrangements.

SAFEGUARDING POLICY

The following venues are normally used for events: Lundavra Primary School, Inverlochry Primary School, Caol Primary School, Lochaber High School Hostel (and others to be confirmed) over the period of the Festival with competitions taking place across the venues. Some areas in the venues are open to the public. Entrants are advised via the annual Festival Programme of the location of their competition. Our policy is to inform parents, guardians, carers, teachers and other entrants of the dates and venues of the various competitions via access to the Lochaber Music Festival website and by making copies of the Programme which also contains names, available publicly. The information will be available two weeks prior to the start of the Festival.

The preparation and presentation of the Festival is the work of volunteers who will be on duty at each venue during the event. It should be noted that the running of the Festival is not carried out by those who own or manage the venues. The Lochaber Music Festival has charitable status.

3. TO WHOM THE POLICY APPLIES

This policy relates to children under the age of 18 years and members of vulnerable groups of any age whose needs are identified to the festival organisers by parents, guardians, carers and/or teachers prior to their arrival at the Festival. This should be done by contacting the address or telephone number at the foot of this document. Our Festival actively seeks wherever possible, to meet these needs but must know beforehand in order to prepare support – or to let the relevant persons know if we are unable to help.

4. FESTIVAL PERSONNEL

We invite suitable persons who are well known by the Committee and in the local community, to assist in their various capacities at venues during the Festival. Names and addresses of volunteers are retained. Written instructions as to duties are given to volunteers.

During the Festival, all volunteers will be identified by a named badge of office. Should a problem arise, anyone wearing a Lochaber Music Festival badge will be able to give directions to someone who can help. The Committee will endeavour to discuss in private if possible, when concerns are raised.

Every problem will be acted upon and dealt with sympathetically. The issue will be documented, dated and retained.

5. PREPARATION FOR ATTENDANCE AT THE FESTIVAL

As stated in Item 2, all parents, guardians and carers should be able to access competition details and will be most welcome at all or any of the events in which their children/young people are participating, EXCEPT THOSE COMPETITIONS OCCURRING AT LUNDAVRA PRIMARY SCHOOL IN 2024.

All children participating in the Lochaber Music Festival who have been entered by schools MUST BE ACCOMPANIED BY TEACHER(S), CARER(S) or by a PARENT or PARENTS asked by the schools to assist as helpers. They will be responsible for the conduct of the children attending the event(s).

SAFEGUARDING POLICY

Where parents, guardians or carers are not personally attending with their children, they should be aware that stewards and festival personnel are not responsible for their direct supervision.

6. PERFORMANCE AREAS AND CHANGING AREAS

Changing areas may be provided for children taking part in Singing Games, Action Dramatised Songs and Dancing. Parents, teachers and carers will be responsible for supervising their children in the changing areas. Toilets are available at all venues but they are not supervised by festival personnel. As stated in Item 3 above, any special need should first be discussed with the Festival Committee.

7. HEALTH AND SAFETY OF VENUES

In all venues, EMERGENCY EXITS must be noted by festival personnel. The safety of ALL COMPETITORS AND OF THE AUDIENCE is of PARAMOUNT IMPORTANCE.

Before each session, the chairperson must announce the position of Emergency Exit(s) to competitors and audience.

8. PHOTOGRAPHS, VIDEO TAPES AND PRESS PHOTOGRAPHY

The use of any type of camera (including mobile phone cameras) is not permitted during performances at this Festival.

Notices indicating this will be posted at each venue and information will be given in the Programme. There shall be no recording of performance via any kind of device. However, in order to encourage our participants, known representatives from the Press may request the opportunity to take photographs. Permission for this will be sought from the person responsible for the entrant (s).

9. THE LEGISLATION AND GUIDANCE THAT SUPPORTS THIS POLICY

The Rehabilitation of Offenders Act 1974; The Children Act 1989; The Police Act 1997; The Data Protection Act 1998; The Human Rights Act 1998; The Protection of Children Act 1999; The Criminal Justice and Court Services Act 2000; The Children Act 2004; The Vulnerable Groups Act 2006.

10. POLICY REVIEW

The organisers will regularly review their policy, improving and enhancing it as necessary. In doing this, they will look to the British and International Federation of Festivals for support and that body, in turn, will look to other agencies for good practice most notably the NSPCC and Scottish Arts Council Policy Guidelines.

EQUAL OPPORTUNITIES POLICY

STATEMENT OF POLICY

This document is a statement of our policy for achieving equality of opportunity throughout the work of BIFF and its members. This policy shall inform our actions and attitudes to all BIFF members, employees, sub-contractors, trustees, volunteers, participants and members of the public attending our events.

We recognise that individuals and groups have been, and are, disadvantaged on many grounds including age, disability, gender, sexual orientation, marital or civil partnership status, pregnancy, maternity and paternity, race, colour, nationality, national origin, ethnic origin, political opinion, religion or belief.

The Federation and its members will fully comply with the legislation in these areas and will aim to ensure that no person engaged or participating in our events is disadvantaged.

We understand that equality of opportunity includes:

- those attending and/or participating in our events
- the employment, training, recruitment and selection of employees, subcontractors, Trustees, volunteers and Federation members
- how we communicate, both internally and externally, including how we portray participants in our events

IMPLEMENTATION OF POLICY

For BIFF, the overall responsibility for implementation of this policy rests with the Board of Trustees. They will review this policy on a regular basis.

For our festival members, the overall responsibility implementation of this policy rests with a nominated person from the charity trustees or management committee of the festival.

HOW WE WILL DEAL WITH INSTANCES OF UNLAWFUL DISCRIMINATION

We are committed to taking action against all forms of unlawful discrimination. If you feel that you have in any way been disadvantaged, we urge you to report the matter to BIFF. Our priority will be to investigate your concerns and seek to resolve the issue to your satisfaction.

If you have a disability as defined by the Equality Act 2010, please inform us so that we can consider what reasonable adjustments can be made.

We expect all federation members, participants, employees, subcontractors, trustees and volunteers to conduct themselves in a manner we can all take pride in, and to actively promote non-discriminatory behaviour.

Action will be taken against unlawful behaviour by a federation member, participant, employee, subcontractor, trustee or volunteer.
